

# Long-term reliability to maximize your business.

With up to **16 SEER**, the American Standard Allegiance 15 is our most efficient single-stage air conditioner, delivering **reliability and energy-saving cooling** season after season. The Allegiance 15 is designed with your customers' comfort in mind, featuring a **Duration™ compressor for worry-free operation** and our exclusive **Spine Fin™ coil for more effective heat transfer**. All in all, the Allegiance 15 is a good long-term investment for your customers and a profitable solution for your business.

## Comfort features you can take to the bank.

- 1 Duration™ Compressor**  
Durable and torture-tested for years of worry-free operation.
- 2 Exclusive Spine Fin™ coil**  
An industry-leading technology constructed of thousands of tiny aluminum fins for a larger surface area, resulting in enhanced heat transfer. Less likely to corrode than aluminum/copper coils – even under the harshest conditions.
- 3 Single-speed fan motor**  
Offers quiet operation and conserves energy for greater efficiency.

- 4 Steel louvered panels**  
22-gauge, galvanized steel louvered panels serve to keep the coil's surface clean, while protecting it from damaging elements like leaves, tree branches and hail.
- 5 Appliance-grade finish**  
Durable powder-paint finish resists rust and scratches, eliminates sharp edges and provides years of lasting protection.
- 6 Durabase™ basepan**  
Manufactured to exacting standards from durable composite material. Will not crack, warp, corrode or rust.
- 7 Easy-Sess™ cabinet with full coil protection**  
Allows easy access to electrical and refrigerant controls. Improves installation and service time. Decreases unit downtime.
- 8 SermaGuard™ rust-resistant screws**  
Tested in salt-spray cabinets and in a weathering tester that simulates the damaging effects of ultraviolet light. Proven to prevent rust streaks from marring the finish.
- 9 Compressor sound insulator**  
Diminishes operating noise and creates a more peaceful home environment.
